

Cape Harbour, Cape Coral

Residents enjoy having their yachts docked right at their back door. You can choose to keep your boat at [The Marina at Cape Harbour](#) or in [The Boat House](#).

The community is bordered by thousands of acres of nature preserve. Located on Florida's highly desirable Gulf Coast right on the tip of southwest Cape Coral, Cape Harbour's exceptional deepwater access makes this truly a boater's paradise. The Gulf of Mexico and the world renowned islands of Sanibel and Captiva are a few minutes away by boat. And it's just a thirty mile boat trip to the exclusive city of Naples.

Living at Cape Harbour is as special as the community's unique location. The landscaped gated entrance makes the first statement about the community's refined nature. The gently curving streets edged with brick paver sidewalks and ornate streetlights always welcome you home.

[Rumrunners](#) restaurant offers casual waterfront dining. Future plans call for retail boutiques and many other amenities. Cape Harbour is truly a one of a kind yachting lifestyle community. It is a gateway to the Gulf of Mexico and to the home of your dreams
