

Lely Resort Golf & Country Club

Lely Resort is located in South Naples between the heart of Naples & Marco Island. Three championship golf courses amid lush natural surroundings have made Lely Resort Golf & Country Club one of the most sought of addresses in Naples.

You will find an active lifestyle in Lely Resort. The golf courses are served by two traditional club houses.

At The Players Club & Spa at Lely Resort, Stock Development built one of the finest tennis facilities in the area. Seven state-of-the-art Har-Tru tennis courts are available for use and two full-time tennis professionals are on staff for private instruction. To service the facility a private tennis Pro Shop was constructed where the tennis staff coordinates a full slate of tournament and league play for singles, doubles and mixed doubles.

Private lessons and group instruction are available as well as a variety of fun tennis events with social opportunities for novice and experienced players.

The centerpiece of The Players Club & Spa Health & Fitness Program is a 3,500 square foot fitness center filled with state-of-the-art cardiovascular and weight training equipment. Professional staff is available seven days a week to provide counseling for members and their individual training programs.

Group fitness activities are regularly scheduled in the 1,200 square foot aerobics room and the outdoor yoga garden. And for those who enjoy an aquatic fitness regiment there is a separate fitness pool set up for water aerobics and lap swimming. Whatever your fitness needs, the Players Club & Spa at Lely Resort has them covered.

No community in Southwest Florida can match Lely Resort's 54 holes of championship golf, designed by some of the best in the game. Robert Trent Jones Sr., the world's most prolific golf architect, designed the Flamingo Island Golf Course. Golf Week has twice designated the course as one of "America's Best," while Golf Digest gives it four stars. The Mustang Golf Club Course reflects the character of its creator, PGA Senior Tour star Lee Trevino/Wm. Graves, a serious but fun par-72 course where one can recover from a bad shot but still find a challenge.

Both the Flamingo and Mustang courses are open to the public. The Classics at Lely Resort Golf & Country Club was designed by Gary Player, one of the game's only four grand slam winners. It combines the beauty of the surroundings with holes that are both friendly and challenging, the Classics is a private member only course.

Membership in the private Classics course allows members to play all three Lely Resort golf courses. Another benefit to Golf membership at Lely Resort Golf & Country Club is that Golf Membership is optional and not mandatory.

The Mustang course and the Lely Flamingo course are both open to the public.

For tee times call 1-239-793-2223.

For golf membership information to the private Classics course call 1-239-723-1200.

Lely is centrally located and brings its residents within minutes to everything such as 5th Avenue and 3rd Streets shopping and restaurants, the beautiful Naples beaches, art & entertainment and easy access to I-75.
